

KATE TEMPLE AUTHOR VISIT Thursday 16 August

Event:	<p>As part of our annual Book Week celebrations and our ongoing focus on writing, we have invited author Kate Temple to visit us at Scarborough Public School! Here is what their own website says about them...</p> <p><i>"Hello to you! We are Kate and Jo! Temple and we write silly books for kids. Some of them love to rhyme and others do not at all but all of them have pictures, because pictures are cool and anyone who says they're not is a two headed yeti. We live in Sydney with our human sons and a dog that thinks it's a raccoon. We love to visit schools. We talk about and read picture books to little kids preschool through to junior primary. We also love to talk to bigger kids about our chapter books and what it's like being a writer"</i></p> <p>Their books include: Mike I don't Like it; Parrot Carrot; I Got This Hat; Captain Jimmy Cook Discovers Third Grade; Room on our Rock For more information, visit http://katejoltemple.com We will order copies of these books into the library for students to borrow.</p>
